SUPPORTING PARENTS AS PARTNERS IN EDUCATION

FEBRUARY 2024

#PARENT VOICE

COMMUNITY ADVISORY COMMITTEES

Get Involved and Lend your Voice

Did you know that the TDSB has 12 Community Advisory Committees (CACs)? These committees advise the Board on its policies and programs, and provide an advocacy role for parents and the community.

The French as a Second Language CAC (FSLCAC) is looking for members! Email fslactoronto@gmail.com

If you'd like to know more, or get involved in one of these groups, reach out to the staff contact listed on the Community Advisory Committees page.

SCHOOL IMPROVEMENT PROCESS (SIP)

The School Improvement Plan (SIP) is like a road map for student success. It is prepared in every school by the Principal in consultation with parents and the school community each Fall. It uses school data to build a common understanding of areas of strength and areas that require more learning and improvement.

The SIP has equity embedded goals in the following areas: Achievement, School Belonging/Well-Being, and Indigenous Education & Sovereignty.

New SIP Tool!

Parents & caregivers should expect to be included in the School Improvement Process. To help you understand what that could look like at your school, there is a new information tool for parents & caregivers. Ask to discuss the SIP at your next School Council meeting.
